### Our Flexi-5 ticket is the new flexible day ticket that works when you work!

Simply buy a bundle of five adult day tickets through the McGill's app and activate them when you need to travel. Your tickets are available to use within a year of purchase. Save money compared to day or weekly tickets! It's great for part-time workers or those who don't travel by bus every day.

\* These tickets are not available on bus. These can be purchased on the McGill's m-ticket app or Go Smart card.

You will have to be verified by McGill's to access our student tickets. Please email [student@mcgillsbuses.co.uk](mailto:student@mcgillsbuses.co.uk) with a picture of your valid matriculation. Student all day tickets are only available to students aged 16-22.

A family ticket is valid for two adults and up to three children.

(All prices correct November 2021)
